From stem to stern, this full service shop will take care of all of your custom upholstered needs, They will design a canvas top, seating, custom furnishings or drapery to suit a boater's dreams. The bright, unhurried showroom contains a selection of large size fabric samples from Robert Allen, Kravet, Stoute Brothers, Jab, and others. Pacific Yacht Interiors design and build the West Coast Hard Top and Dodger, and upholstered hard core top.

Their West Coast Pilot House is a package which includes a hard core top, 1/4" Safety Glass front windshield with windshield wiper, Lexan or 40 g front and side windows, welded stainless steel frame, and grip backed marine carpet.

All work is done on the premises using the highest quality supplies and workmanship. Located near the Victoria International Airport, approximately two and one half miles from moorage. Taxi service is available. Other facilities and services on-site include rigging, welding, marine mechanic, wood worker, lumberyard, and a cafe.
